

Four ways to use Stories of Faith in Action

Stories of Faith in Action is a free, annual publication highlighting how God is changing lives through the ministries funded by your congregation's Mission Support offering, which it shares with your synod and the ELCA churchwide organization. Together, the ELCA serves God's people across the United States and globally through our 9,300 congregations, 65 synods and one churchwide organization.

How can you inspire ELCA members with this publication? Here are some ideas.

1

As part of your ongoing stewardship efforts:

Order additional free copies of Stories of Faith in Action and have a leader in your congregation introduce the resource and tell members it is available in their stewardship packets or near your stewardship bulletin board or display. Let them know that their giving in 2017 made these stories possible.

2

In weekly bulletins and newsletters:

Stories from this publication are available as bulletin inserts to complement your existing communications. You can download bulletin inserts for printing at ELCA.org/SOFIA.

3

Share one of the videos via social media or during worship:

Some of the stories in Stories of Faith in Action have a corresponding video found at ELCA.org/SOFIA. Share these videos on your social media platforms or with your congregation as a video mission moment.

4

As devotions for council meetings or leadership retreats:

Need prompts for devotional time? This year's edition of Stories of Faith in Action includes a devotional outline, complete with Bible verses, discussion questions and prayer. The outline can be used at your next meeting or retreat.
