Do do...

**C F Am G**

Grace. Grace sets us free.

**C F Am G**

Grace. Free to be.

**C F Am G**

Grace. Be enough.

**C F Am G**

Grace. Sets us free. Free to be. Be enough.

Do do...

**Am G C F**

It's late at night and I'm on my phone again.

**Am G C F**

Shows me an endless stream of crisis and mayhem.

**Am G C F**

Then Grace comes along and says, "Hold on. Just go to bed.

**Am G C F**

Tomorrow's comin' and I'll help you start again."

Grace....

**C F Am G**

Do do...

<b>C</b>	<b>F</b>			
Free to stand taller	Free to fall farther			
<b>Am</b>	<b>G</b>			
Free to cry harder	Free to love bolder			
<b>C</b>	<b>F</b>			
Free to break a heart	Free to hold a hand			
<b>Am</b>				
Free to live the struggle				
<b>G</b>	<b>C</b>	<b>F</b>	<b>Am</b>	
Free to barely make it through the day...				
<b>G</b>	<b>C</b>	<b>F</b>	<b>Am</b>	
Free to learn to dance the pain away...				
<b>G</b>	<b>C</b>	<b>F</b>	<b>Am</b>	<b>G</b>
Free to be the light in shades of grey...

Grace...
