# “I Will Serve” Wheel

Take a paper clip and put the pencil tip through one end. Hold the pencil tip on the small circle at the center of the wheel. Take turns spinning the paper clip. Wherever the paper clip stops tells you who you can serve and how. For example: “I will serve my neighbor with my ears.” Brainstorm as a family how each of you might serve as you spun. Each day share how you served and how you experienced God’s presence or call as you were serving. Then spin for another challenge.
