

# PEOPLE SCRABBLE

As part of our Synod Journey we are using Scrabble tiles to spell out words reflecting the themes from our Bible texts. When we seek God's word for us, we find that God's CALL, LOVE, GRACE, HOPE and gift of Jesus CHRIST change everything. Today we will use these letter tiles to help us get to know others in our Bus Group. Mingle around the room. For each letter tile you must get one word for each letter, describing something about one person from the bus group. Each letter must represent a different person. For example: I go up to "Kate" and meet her. She tells me she is a "Swimmer". She writes "Swimmer" by my letter "S" and then signs her name. Next I find "Jack". I learn he plays "Violin". He writes "Violin" by my letter "V" and signs his name. Get a word and signature by every letter.
